

PERQUE®

Digesta Guard Forté 10

10 VITAL BIOCULTURED STRAINS
PROBIOTIC DIGESTIVE ARMOR

WHY YOU NEED PERQUE DIGESTA GUARD FORTÉ 10

PERQUE Digesta Guard Forté 10 is essential for individuals who take antibiotics.

These medications wipe out “good” as well as “bad” bacteria, leading to complications, such as yeast infections, maldigestion, constipation, or diarrhea and nausea. **PERQUE Digesta Guard Forté 10** effectively **rehabilitates the digestive system by restoring the body’s healthy, digestive organisms and clearing out toxins in the intestines.***

As individuals age, digestive malfunctions become more common. Breakdowns in the digestive tract are linked with antibiotic use, unhealthy diet, food allergies, heartburn, gastritis, ulcers, hemorrhoids, flatulence, constipation, and colon cancer risk.*

PERQUE Digesta Guard Forté 10 is a probiotic supplement that actually replaces “bad” bugs with **ten beneficial bacteria**. It thereby improves digestion and **wards off dietary toxins**, such as pesticide residues, hormones in foods, and toxic metals like lead or mercury.*

POTENT DIGESTIVE AID

The active bacteria in **PERQUE Digesta Guard Forté 10** help break down food more effectively than any other digestive aid available.*

PERQUE Digesta Guard Forté 10 is unique for the following reasons:

1. Only biocultured strains are used to ensure maximum implantation and function.*
2. Ten strains of probiotics are harvested at their most dynamic, active growth stage and then rapidly freeze dried, which puts the bacteria into suspended animation. This makes **PERQUE Digesta Guard Forté 10** probiotics viable for long periods of time. In contrast, many other probiotic supplements wait for the highest density of bacteria, even though many starve to death in the production vat. **PERQUE’s** complex process delivers a more potent product.*
3. Inhibits the growth of pathogens such as H. Pylori, E. Coli OH157 (hemolytic E. Coli), Candida albicans, kreusii, tropicalis, Clostridium difficile, Yersinia enterocolitica, and Staphylococcus aureus.*
4. Features Lactobacillus paracasei, which has tremendous immune boosting properties. It is a powerful antimicrobial especially against S. aureus infections.
5. Promotes healthy balance and growth of aerobic and anaerobic probiotic organisms.*
6. Promotes better digestion and reduction in maldigestive, irritating, immunoreactive products.*
7. Better digestion means better stomach, intestinal, liver, circulatory, and wound repair functions.*
8. Produces butyrate fuel for intestinal energy and mucosal repair.*

Feel the **PERQUE** Difference!

MULTIPLE USES FOR PROBIOTICS

Billions of bacteria – over 400 species – live in the human body. Most of them can be found in the digestive tract. Besides enhancing digestion, probiotics support human health by performing the following functions:

- Manufacturing B vitamins, such as niacin (B3), pyridoxine (B6), folic acid, and biotin.*
- Lowering high cholesterol levels to support cardiovascular health.*
- Recycling estrogen, a key female hormone, thereby decreasing the risk of menopausal symptoms and osteoporosis.*
- Supporting the treatment of acne, psoriasis, eczema, allergies, migraines, gout, rheumatic and arthritic ailments, cystitis, candidiasis, colitis, irritable bowel syndrome, and some types of cancer.*

PERQUE DIGESTA GUARD FORTÉ 10 PROBIOTIC VIABILITY

Note: This means that **PERQUE Digesta Guard Forté 10** remains highly active throughout its shelf life even if stored at room temperature. Refrigeration will prolong shelf life.

THE PERQUE GUARANTEE

Like every other **PERQUE** product, **PERQUE Digesta Guard Forté 10** comes with a 100%, unconditional, money-back guarantee – the strongest guarantee in the natural health industry. This unique guarantee provides the assurance that:

- Every **PERQUE** product provides 100% potency and activity for its entire shelf life.
- Every ingredient used in a **PERQUE** product is pharmaceutical-grade or better.
- All **PERQUE** products dissolve rapidly (usually within 20 minutes), eliminating digestive irritation often found with other brands.
- Full label disclosure is provided for all **PERQUE** products — no hidden ingredients.
- Every **PERQUE** product is activated with the same transporters that are used by nature and in food to ensure full bioavailability. The biologically preferred form of an ingredient is always used for enhanced activity.
- Free of citrus, MSG, wheat/gluten, corn/zein/starch, dairy/casein/whey/milk derivatives, yeast, soy, sulfate, phosphates (other than coenzymes), and preservatives.
- No genetically modified organisms (GMOs).
- Unique post-production assays and clinical bioassays assure product integrity.

YOUR QUALITY ASSURANCE

Every **PERQUE** product is produced following or exceeding the FDA's pharmaceutical GMP (Good Manufacturing Practices) regulations.
